- ❖ “Thanks again for the ‘best camp ever’ as [my child] says.”
- ❖ “[My child] would come home from camp each day and rave about how much fun she had...but in these pictures, you can truly see how fun the week of camp was. Every child’s face was lit up in each picture. Thanks for a great week! [My child] was sad to leave, but we quickly reminded her she was heading back in August! Thank you!”

CAMP WHITE PINE

“At the end of the day, feet
should be dirty, hair messy and
eyes sparkling.”

Brooke de Boer
Owner/Operator

Brooke began her career working with children at a camp where she wrote and performed in the shows as well as directed the plays starring the campers. It was there that she found her love for working with children. Soon after, she ran after school Musical Theatre programs in Toronto. She then went on to work for Disney Cruise Lines as an Entertainer, where she performed as several different characters in interactive shows. She is a singer and percussionist in a country band with her husband and hopefully one day, her daughter as well. She currently works at Uxbridge Montessori School as the Music and Drama Teacher. Her passion is working with children to help them explore their creativity and develop their confidence through the inspiration and creation of the Arts. Brooke strives to bring out the best in each child and embrace their individual passions and talents. This is why she cannot wait to create and enjoy another year of exciting and innovative activities at camp!
